NORTH TORRANCE TATTLER

By MRS. ILENE ALLISON
Mile 4-2430

Bluebirds gave their Mother's Day tea this week in the Rumpus Room of the Verburg Dairy. A display of all the articles made during the past year was shown to the mothers and a neat bit of hostessing was done by the 11 girls who so proudly served coffee and cake. The arrangements were made by the girls and very attractive indeed were the nut cups. Mothers attending were Mrs. Juanita Alford, leader of the group and her daughter, Lamana; Mrs. Ruth Peterson, also a leader, with daughters, Sandra and Karen; Mrs. Ruth Stepp and Gloria; Mrs. Clark Harris and Charlie; Mrs. Doris Manill and Tony; Mrs. Betty Manill and Donna Ray; Mrs. Jackie Babbohan and twins, Joan and Jeanette; Mrs. Thelma O'Dell and Sharon; Mrs. Mette and daughter, Jane.

Mrs. Doris Ahrendt, 4235 W. 178th was the recipient of a very lovely bridal shower given by Mrs. Ann Summaric and Mrs. Betty LaRosa at 4240 W. 178th Tuesday, May 20. The bride-to-be was greeted by 30 guests from the neighborhood and out-of-town, who gathered to express their best wishes on her impending marriage to John Bogdan who is with the Navy stationed at Long Beach. John was formerly of Berwyn, Ill. The room was decorated with streamers to the center and hung with wedding-bells. Bells also decked the doors, making a very striking effect. The table was loaded with tasty foods, including relishes, meatballs, salads, and tidbits of every kind. Centering the table was a very realistic bridal party consisting of the bride and groom, bridesmaids, flower-girl and ring-bearer. A most striking centerpiece! The cake, equally attractive, was adorned with bride and groom and done in the traditional white. The punch bowl was a popular spot and many useful and beautiful gifts were presented to Doris. The wedding will take place at St. Catherine Church at 9 o'clock mass Sunday, June 3.

The Fire Department and the Police Department joined hands this week when Capt. Neil Whitney, formerly of our fire station, married to Police Matron Frances Dubois in one of the most beautiful garden weddings seen in some time. The wedding took place in the yard of Mr. and Mrs. A. W. Clinckscale, 1451 El Prado. The archway was breath-taking and huge baskets of flowers stood on either side. The bride was lovely in a short, organdy dress of white with pink flowers, and carried white roses surrounding a white orchid. Her accessories were white with a small white hat. She later wore a most becoming stole of pink with a metallic touch. The reception was held in the garden and after a tour of the town the couple left for a honeymoon in San Francisco. Those of North Torrance attending were Mr. and Mrs. Bert Johnson and Jack White.

The welcome mat was out this week at the Bates home, 17039 Glenburn, for son Leroy Downing, who has just been discharged from the Navy after having served in the Far East for the past 16 months. Leroy was no stranger to the Navy, having served three years during the last war and remaining in the reserves while attending college.

Happy days are here again at Kirby's Ballerinas. The welcome mat was out this week at the Bates home, 17039 Glenburn, for son Leroy Downing, who has just been discharged from the Navy after having served in the Far East for the past 16 months. Leroy was no stranger to the Navy, having served three years during the last war and remaining in the reserves while attending college.

Literature Course Open

A course in European Literature will be offered for the first time at Harbor Junior College during the summer session beginning July 7. It was announced recently.

Meeting daily, Monday thru Friday, from 7 to 7:50 p.m., the course will feature a study of the literature of continental Europe during the 18th and 19th centuries.

Persons can enroll in the two unit course on July 7, from 4 to 10 p.m.

For 1 1/4 years before again returning to active duty, he is a quartermaster on the "Pasig." On the welcome committee were Mr. and Mrs. Alex Bates, brother Jerry and sister, Mary Jan Bates. Jerry has just returned from a state track meet at Santa Rosa with two other students and Coach Schiller of El Camino College.

Johnny Allison reached the ripe old age of five this week and 12 of the boys and girls of the neighborhood gathered to celebrate on his patio. The table was set with much vivid color and the animals paraded in grand style. Ice cream cones with faces were passed among the crowd and seconds were frequent at the punch bowl. Many gifts were opened and a thanks with a kiss was muttered by the somewhat bewildered Johnny, who insisted he had just had a birthday last year. Among those who enjoyed the games were John Pierce (who took all prizes), George Pierce, cousin Carl Adamson, Mike Adamson, Ken Brewer, Billie Mack, Mike Fadich, David Sherwood, Danny Graham, and brothers Jimmy and Jack.

Betty Fletcher, 17529 Cerise, gave a going-away party for her mother-in-law, Mrs. Eva Fletcher, who is going to Texas for three months.

Into the Camp Fire Girl fold goes Barbara Robinson, 16413 Wilton. She is warmly greeted by 16 other very active girls this area.

Upon investigating further as to the crowd at Atkinson Ave. Saturday, we found that it was the Bud Lehmanns of 17094 giving an all-out neighborhood party.

Weekend visitors included Mrs. Elsie Thornton of Utah, and Mr. and Mrs. Lester of Sacramento, at the home of Ernest Thornton, 17304 Wilkie. Robert and Donna Brewer with little Judy and Bill were guests from Eugene, Ore. at the Henry Brewer home, 17022 Glenburn.
